PEOPLE ON THE TEAM

— WHAT WE DO DIFFERENTLY

# Your spec. Your whole fleet.

Falcon tailors bodies to how a customer actually works, then builds every unit in that fleet the same way. One configuration, repeated, so operators move between trucks without relearning where anything lives.

— AFTER THE SALE

# A parts guide for every body we build.

Every Falcon body ships with its own parts guide. When a distributor needs a part or files a warranty claim, the body is already documented.

Quote returned within 24 hours

Body design 7 to 10 days

Prototype within 30 days

Delivered bodies 4 to 6 weeks

— THE LINEUP

# A body for every trade.

Thirteen body platforms, each configurable around the crew that runs it. Not sure which fits? Start with the work, not the truck.

# Service Bodies

Purpose-built for every service call. Flip-Top and Non Flip-Top storage, Classic and Signature trim.

# Mechanics Bodies

Engineered for dependable crane performance and organized storage.

— 03

# Dump Bodies

Corrugated, smooth-wall, elliptical  
and severe-duty body styles.

AVAILABLE IN

— HARDOX® STEEL

— ALUMINUM

— STAINLESS STEEL

— 04

# Hauler Bodies

Maximum payload. Minimum compromise.

# Platform Bodies

Standard deck, or heavy-duty with 8' runners.

— 06

# Contractor Bodies

Built for the jobsite. Every day.

# Welder Bodies

Mobile welding and field fabrication operations.

# Enclosed Bodies

Secure storage. Professional presence.

# Saw Bodies

Open equipment platforms for saw and tool transport.

— 10

# Landscape Bodies

Configuration details available on request.

# Line Bodies

Configured around your fleet needs.

# Chipper Bodies

Enclosed chipper body for Class 6–8 dual rear wheel chassis.

— 13

# Water Trucks

Available in 2,000-gallon and 4,000-gallon configurations.

# Large enough to build it. Small enough to answer the phone.

Two hundred and fifty bodies a month, and every distributor still works with Falcon directly. Specs are handled case by case, not through a program tier.

— READY TO BUILD

# Ready to equip your **fleet?**

Connect with a Falcon specialist to spec your next build. We'll match the right platform, trim and accessories to your trade.
