

— SERVICE BODY LINEUP / 2026 EDITION

Outlast. Outwork. Outperform.

Purpose-Built for Every Service Call. A premium service body lineup engineered for plumbing, HVAC, electrical, and general fleets.

FALCONBODIES.COM

VOL. 01

— THREE CORE PILLARS —

Built on the principles that define the industry.

Every Falcon Service Body is engineered around three uncompromising standards — strength, resilience, and fleet readiness.

01 / DURABILITY

Engineered Strength

Reinforced steel construction and precision welding built to withstand demanding job sites.

02 / RESILIENCE

All-Weather

Galvanneal steel, a multi-stage powder-coat finish, and sealed seams built for heat, cold, rain, mud, and snow.

03 / FLEET

Fleet-Ready

Configurable options to meet the unique needs of service fleets, technicians, and contractors across the industry.

— SERVICE BODY LINEUP

**Built for the
hardest day on
the jobsite.**

— WHY FALCON

Service Bodies built for organization, efficiency, and **reliability**.

Falcon Service Bodies are designed to keep your crew working smarter. External storage, an open bed, and flat exterior panels perfect for graphics maximize both function and brand visibility.

4

Platforms · 38CA to 84CA

94"

DRW body width

100%

Seam-sealed construction

FIELD-PROVEN

Building work truck bodies since 2018.

STANDARD EQUIPMENT

Standard features that set a higher standard.

Every Falcon Service Body ships with the same uncompromising baseline—because durability shouldn't be optional.

04 RECESSED DOUBLE-PANEL DOORS

Compression whale-tail latching with reinforced door skins.

01 UNDERCOATING SYSTEM

Heavy-duty liner across wheel wells, frame rails, and underbody.

03 INTEGRATED WORKBENCH BUMPER

Heavy-duty bumper with integrated steps for added strength.

02 TIGER® WHITE POWDER-COAT

Multi-stage powder-coat for maximum gloss and corrosion resistance.

05 AUTOMOTIVE-GRADE SEAM SEALING

Factory-sealed seams across every joint for maximum corrosion resistance.

06 UNISTRUT SHELVEING SYSTEM

Adjustable shelving tracks standard in every compartment.

07 5-IN-1 LED DOT TAIL LIGHTS

Stop / turn / tail / reverse / strobe in a single compact fixture.

— CONFIGURATIONS

Built around the way your crew works.

Two storage styles. Two trim levels. Choose the configuration that matches the trade.

— STORAGE STYLE

Flip-Top

Hinged lids provide fast overhead access to long tools while keeping side compartments fully usable. Not offered on FSB84.

— STORAGE STYLE

Non Flip-Top

Maximize secure storage with taller vertical compartments for equipment, tools, and parts.

— TRIM LEVEL

Classic

Falcon's core durability features and premium standard equipment—no compromises.

— TRIM LEVEL

Signature

Premium upgrades including LED strip lighting and full sprayed bedliner protection.

— FACTORY ACCESSORIES

Built for precision. Designed for performance.

Factory add-ons for Falcon bodies. Availability and fitment vary by model and chassis — confirm with your Falcon specialist.

STORAGE

Storage Options

Ask about compartment organization and add-on storage to keep tools, hardware, and gear secure and organized.

ELECTRICAL

Lighting & Strobe Kits

Commercial LED stop/turn/tail, marker lighting, and strobe packages keep crews visible on roadside and jobsite work.

PROTECTION

Interior Lining & Finish

Interior body lining and premium Tiger® White powder-coat protect the body through abrasive daily material loads.

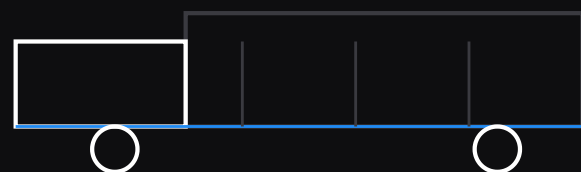

MODEL OVERVIEW

Choose the right service body for the job.

FOUR PLATFORMS · FROM 6' SHORT BED TO 84CA
