

— WELDER BODY / 2026 EDITION

Outlast. Outwork. Outperform.

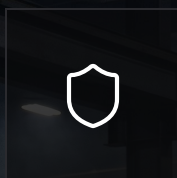

Engineered for Mobile Welding and Fabrication Crews. A purpose-built welder body with integrated gas storage, organized compartments, and a workbench bumper for fieldwork.

— THREE CORE PILLARS —

Built on the principles that define the industry.

Every Falcon Welder Body is engineered around three uncompromising standards — rugged construction, organized storage, and field-ready fabrication.

01 / CONSTRUCTION

Rugged Construction

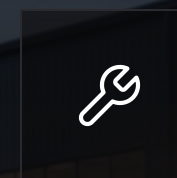

Steel body finished in Tiger® White powder coat inside and out, with Patriot® bedliner on the floor and compartment tops.

02 / ORGANIZATION

Gas & Tool Storage

Dedicated oxygen and acetylene bottle storage with adjustable shelving for organized field work.

03 / FIELD READY

Mobile Fabrication

Integrated workbench bumper, equipment mounting, and LED work lighting built for welding directly from the truck.

— WELDER BODY

**Built to weld.
Built to last.
Built for the field.**

— WHY FALCON

Welder Bodies built for mobile welding, organized gas storage, and **durability**.

Falcon Welder Bodies are engineered for field welding professionals who require durable equipment storage, organized torch compartments, and integrated work surfaces — built on 84" CA dual-rear-wheel chassis.

134"

Body length · 84" CA

84CA

dual-rear-wheel chassis

2

models · 19.5" & 22.5" tires

FIELD-PROVEN

Two purpose-built models — Pro W 1 and Pro W 2 on 84CA DRW, engineered end to end for mobile welding crews.

STANDARD EQUIPMENT

Standard features that ship field-ready.

Every Falcon Welder Body ships field-ready — LED compartment and work lighting, 5-in-1 DOT tail lights with strobe, and a fully pre-wired harness all standard.

01 TREADPLATE CARGO FLOOR

Treadplate cargo floor and compartment tops with a reinforced front bulkhead.

03 OXYGEN & ACETYLENE STORAGE

Dedicated bottle compartment for safe, organized storage of welding gases with secure mounting.

05 5-IN-1 LED DOT TAIL LIGHTS

Stop / turn / tail / reverse / strobe with a fully pre-wired harness.

02 INTEGRATED WORKBENCH BUMPER

Steel workbench with diamond plate step and LED lighting.

04 ORGANIZED COMPARTMENTS

Vertical compartments with adjustable galvanized shelving, dividers, and gas shock door supports.

06 MASTER LOCKING SYSTEM

3-point whale-tail compression latches with master lock, double-panel doors, and weather sealing.

07 TIGER® WHITE + BEDLINER

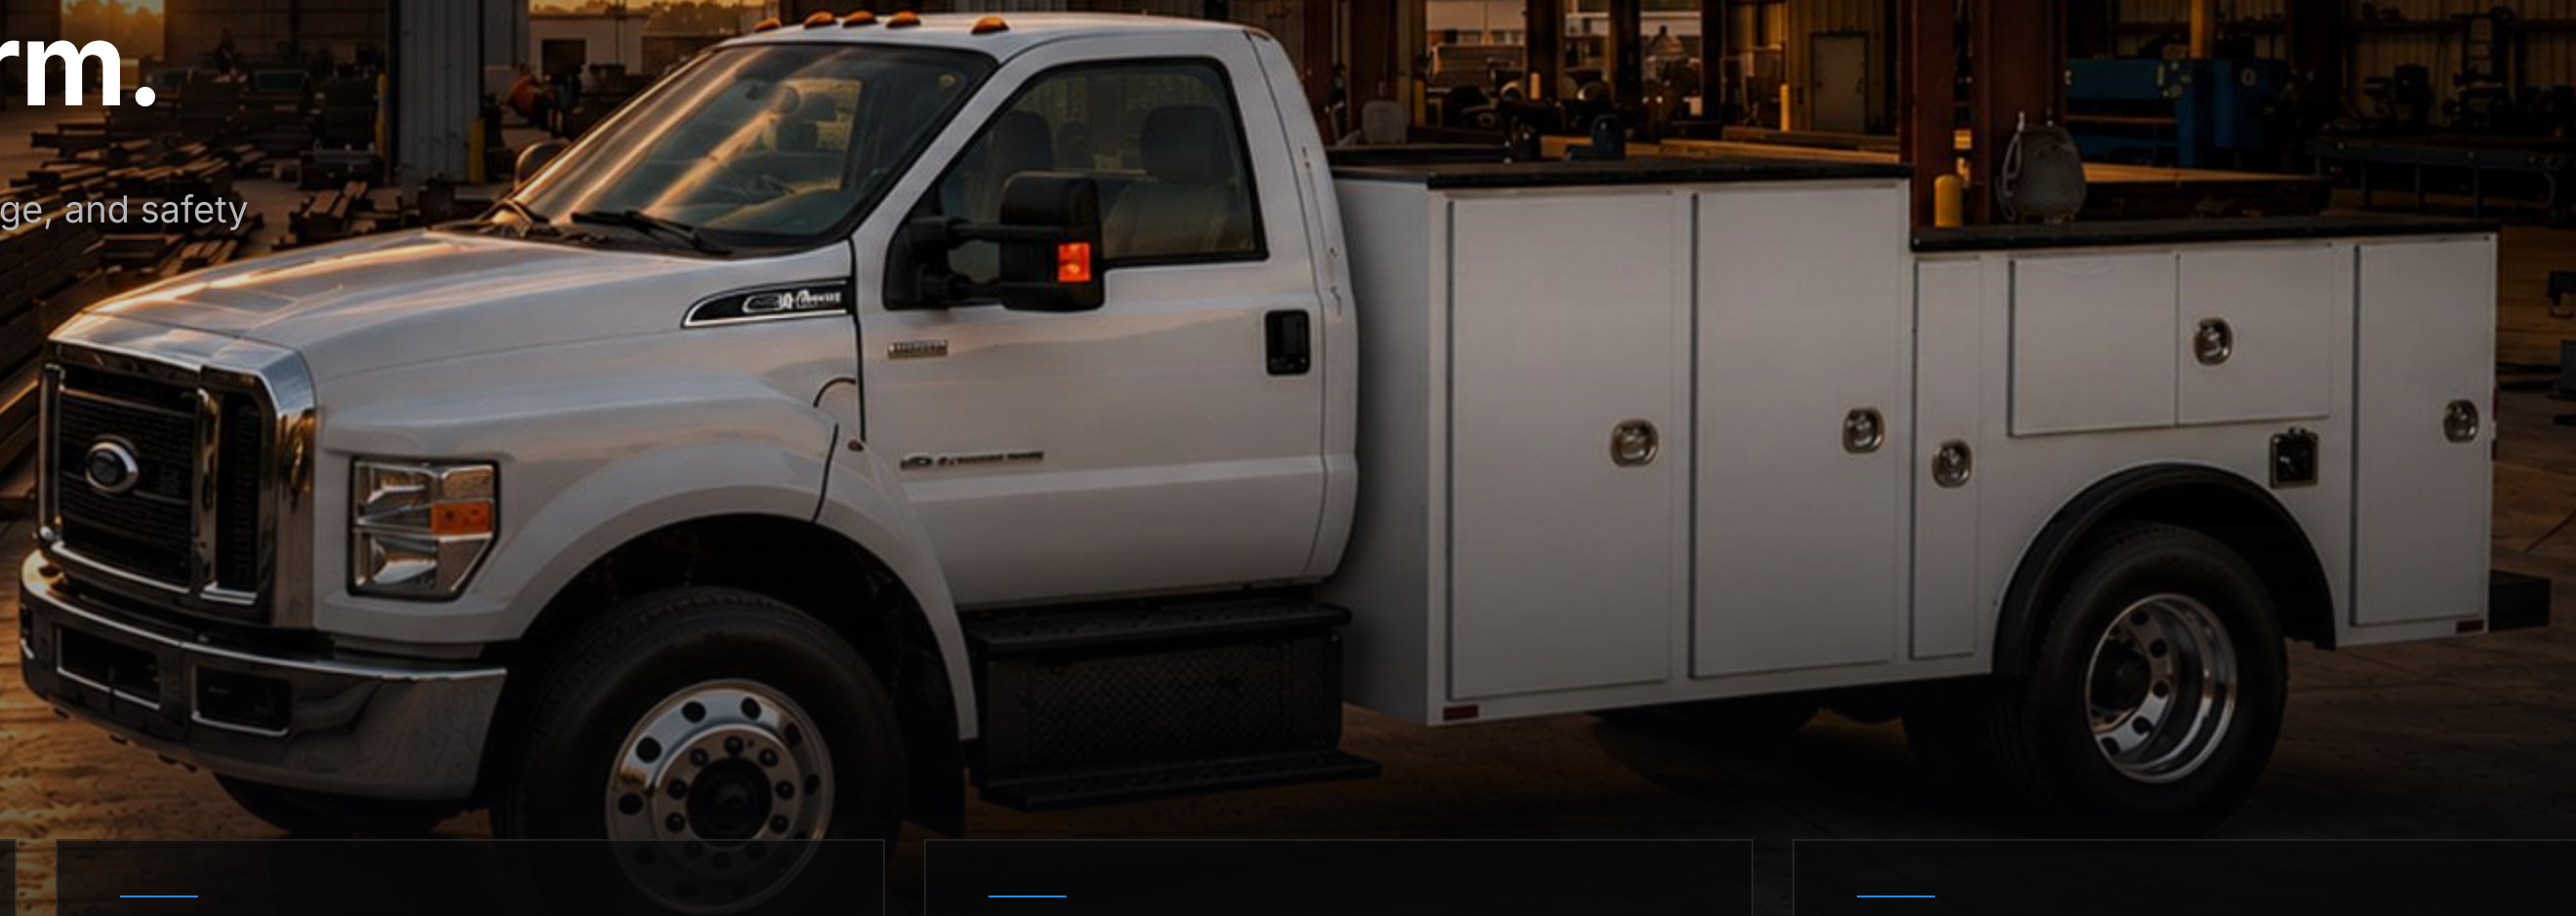

Oven-baked Tiger White powder coat inside and out, plus Patriot bedliner on floor and compartment tops.

— CONFIGURATIONS

Configure your welding platform.

Two models, fully outfittable. Equipment, storage, and safety options to match your welding operation.

— PLATFORM

Pro W 1 / Pro W 2

134" body on 84" CA DRW chassis — 19.5" tires (Pro W 1, 3,800 lb body weight) or 22.5" tires (Pro W 2).

— EQUIPMENT

Welder & Compressor Mounting

Mounting provisions for engine-driven welding and air systems.

— STORAGE

Cable & Hose Management

Cable storage provisions, hose reel mounting, and cargo tie-downs.

— SAFETY

DOT Lighting & Strobes

5-in-1 multifunction DOT LED tail lights with integrated strobe capability and a fully pre-wired harness.

— FACTORY ACCESSORIES

Outfit your welder body.

Factory add-ons for the Falcon Pro Welder. Availability and fitment vary by model and chassis — confirm with your Falcon specialist.

STORAGE

Storage Options

Ask about compartment organization and add-on storage to keep tools, hardware, and gear secure and organized.

ELECTRICAL

Lighting & Strobe Kits

Commercial LED stop/turn/tail, marker lighting, and strobe packages keep crews visible on roadside and jobsite work.

PROTECTION

Interior Lining & Finish

Interior body lining and premium Tiger® White powder-coat protect the body through abrasive daily material loads.

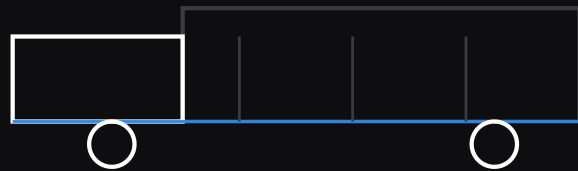

MODEL OVERVIEW

The Pro Welder platform.

TWO MODELS · 84CA DRW

STEEL FWB-PRO SERIES

01

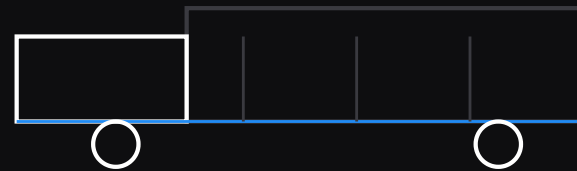

Pro W 1

84CA DRW · 19.5" tire

- 134" L × 94" W × 62" H
- 3,800 lb body weight
- Part no. FWGC132-WELDER

STEEL FWB-PRO SERIES

02

Pro W 2

84CA DRW · 22.5" tire

- 134" body length
- 22.5" tire platform
- Part no. FWGC132-WELDER2

TECHNICAL SPECIFICATIONS

Spec sheet at a glance.

Standard production specifications for the Falcon Pro Welder models. Custom equipment integrations available on request.

Models	Pro W 1 · Pro W 2
Chassis	84" CA DRW
Pro W 1 Body Weight	3,800 lb
Finish	Tiger® White + Bedliner

MODEL	PART NO.	CHASSIS	BODY LENGTH	TIRES	DRIVE
● Pro W 1	FWGC132-WELDER	84CA	134"	19.5"	DRW
● Pro W 2	FWGC132-WELDER2	84CA	134"	22.5"	DRW

Specifications subject to change. CA = Cab-to-Axle. Weights, hitch and tie-down ratings, and equipment fitment are confirmed with your Falcon specialist for each build.
